## Entertainment

At A Glance: & bull; Film Production and Financing

• Programme and Film Distribution

• Character Merchandising and Licensing

• Stage Production Commissioning

• Music Distribution
• Event Staging
• Recording Projects
• Rights Clearances
• Talent Representation

• Entertainment Project Investments This area of our practice has involved us in co-production projects, programme and film distribution rights, personality or character merchandising transactions in relation to 3-D animation products, CD-ROMs and other media, schemes for the funding of entertainment projects, commissioning of stage and film productions and event-staging projects including a soccer match with an English Premiere League team.

We also assist with the rights clearances aspect of transactions in this area, including negotiation with copyright licensing bodies on behalf of our clients.
